Mid-Maine Bass and Major League Fishing TV Shows!

In August of 2018, many locals were surprised to see all the fancy bass boats, tv cameras & personalities, drones, etc. buzzing around the Belgrade Lakes Region. Find out what all the excitement was about and when the shows will air as Bruce Harrington from Mid-Maine Bass explains it all to the community. Bruce will also talk about what the Mid-Maine Chamber of Commerce is doing to promote our region to a national audience.
