The Scarecrow Contest is family friendly. Scarecrows should be whimsical, humorous, lovable or mischievous, not SCARY. Especially frightening or gruesome scarecrows will be disqualified and asked to be removed.

*Belgrade Lakes Region Business Group reserves the right to remove and disqualify any scarecrow they feel is distasteful and not family friendly.*

I understand that Belgrade Lakes Region Business Group may use my photograph and photographs of the actual scarecrow to announce contest winner's name for publicity and promotion of future events

I will have my scarecrow in place (somewhere along Main Street in Belgrade Lakes Village) by 10:00am Saturday, October 8th and will leave it in place until 4:00pm. Entries not picked up by Nov. 1st will be disposed of, unless you have consent from the landowner to leave it longer.

I understand and agree to all of the above:
